NOTICE

This package contains proprietary chemicals formulated solely for industrial metal finishing applications. They are not recommended for any other use. User should consult the applicable Material Safety Data Sheet for the standard precautions recommended for handling this material. Likewise, user should consult the appropriate operating instructions for the recommended means of using the material in production.

As the use of this product is beyond our control, we make no warranty of any kind, express or implied, as to the effects of such use (including damage or injury, or the results to be obtained). Buyer assumes all such risks. We guarantee the standard quality of this material and its adherence to our published specifications, if any, but we expressly disclaim responsibility for its use. Likewise, we do not assume any responsibility for the use of this product in a manner which infringes the patents of third parties.

Buyer may contact the manufacturer for authorization to return these goods, unopened and in resalable condition, within 30 days from date of purchase, if the above conditions are not acceptable.

HEALTH HAZARD

EYES: Severe irritant. Prolonged or repeated contact can cause severe burns and tissue damage.

SKIN: Moderate irritant. Prolonged or repeated contact can produce alkaline burns.

INHALATION: Inhalation of mists, vapors, or liquid can be irritating to mucous membranes of the respiratory tract.

INGESTION: Industrial chemicals are never to be taken internally. Can cause severe burns or complete tissue perforation of the mouth, throat, esophagus, and stomach if swallowed.

Product Code 67125

OMEGA TH-7125

FOR INDUSTRIAL USE ONLY / POUR USAGE INDUSTRIEL SEULEMENT

DANGER! Corrosive Liquid - May Cause Burns.
 Store away from sources of high heat and open flame or spark. Keep container tightly closed when not in use. Store away from strong acids, strong oxidizers, zinc, and aluminum.

DANGER!
 Garder le contenant fermé hermétiquement lorsque le produit n'est pas utilisé.

FIRST AID: For skin or eye contact, flush with water for at least 15 minutes while removing contaminated clothing. Remove victim to fresh air. If breathing stopped, start artificial respiration. Give large quantities of milk and/or water and DO NOT induce vomiting.
SEEK MEDICAL ATTENTION.

PREMIERS SOINS: En cas de contact avec la peau ou les yeux, laver à grande eau pendant au moins 15 minutes tout en retirant les vêtements contaminés.
 Obtenir des soins médicaux.

PRECAUTION: Wear chemical gloves, goggles, rubber apron, and NIOSH/MSHA approved respirator. Use with enough ventilation to meet the TLV (threshold limit value). Safety Showers and eye wash stations should be near handling areas.

MISE EN GARDE: Utiliser avec ventilation suffisante afin de respecter la valeur limite d'exposition.
