HEALTH HAZARD

EYES: Mild irritant. Prolonged or repeated contact may cause redness and irritation.

SKIN: Mild irritant. Prolonged or repeated exposure may cause irritation.

INHALATION: Inhalation of airborne concentrations of mists or liquid can be irritating to mucous membranes of the respiratory tract.

INGESTION: Industrial chemicals are never to be taken internally. May cause gastrointestinal distress (nausea, vomiting, diarrhea).

CAUTION! May cause irritation. Keep container tightly closed when not in use. Spills of this material are extremely slippery. Protect from freezing.

FIRST AID: For skin or eye contact, flush with water for at least 15 minutes while removing contaminated clothing. Remove victim to fresh air. If breathing stopped, start artificial respiration. Give large quantities of milk and/or water and DO NOT induce vomiting. SEEK MEDICAL ATTENTION.

PRECAUTION: Wear chemical gloves, goggles, rubber apron, and NIOSH/MSHA approved respirator. Use with enough ventilation to meet the TLV (threshold limit value). Safety showers and eye wash stations should be near handling areas.

ATTENTION! Peut causer une irritation. Garder le contenant fermé hermétiquement lorsque le produit n’est pas utilisé.

PREMIERS SOINS: En cas de contact avec la peau ou les yeux, laver à grande eau pendant au moins 15 minutes tout en enlevant les vêtements contaminés. Obtenir des soins médicaux.

MISE EN GARDE: Utiliser avec ventilation suffisante afin de respecter la valeur limite d’exposition.

NOTICE: This material has passed all appropriate quality control tests. Questions to the manufacturer pertaining to the product should include reference to the lot control number listed to the right.

OMEGA CP-1162
